Jerry Lin 林學廷

MarTech Lead | Digital Transformation | Business & Technology Integration

Taipei City

+886-933-349-278

orange7539@gmail.com

Professional Summary

Business-minded MarTech leader with 17+ years of experience across digital consulting, account leadership, project delivery, and transformation. Skilled at aligning business goals, customer needs, and technical execution to drive scalable solutions and measurable growth.

Core Competencies

- MarTech Strategy
- Digital Transformation
- Cross-functional Leadership
- Project & Product Management
- Website Building & Platform Operations
- CRM / Automation Planning
- AI Solution Integration
- Business & Client Management

Selected Achievements

- Turned around an at-risk L'Oréal account and expanded it to TWD 20M.
- Grew JTI from app maintenance into broader CRM and incentive solutions, expanding the business from TWD 2.4M to TWD 12.49M.
- Progressed through multiple promotions at VML, from Associate Account Director (2017) to Lead of MarTech (2024).
- Received the 2021 WPP Stock Award for performance and leadership potential.
- Awarded The Best Idea Agency at the 2022 L'Oréal Supplier Day.
- Regularly invited by Shih Hsin University and Ming Chuan University as an industry lecturer on marketing and AI.

Selected Showcase

— 、AI / Automation

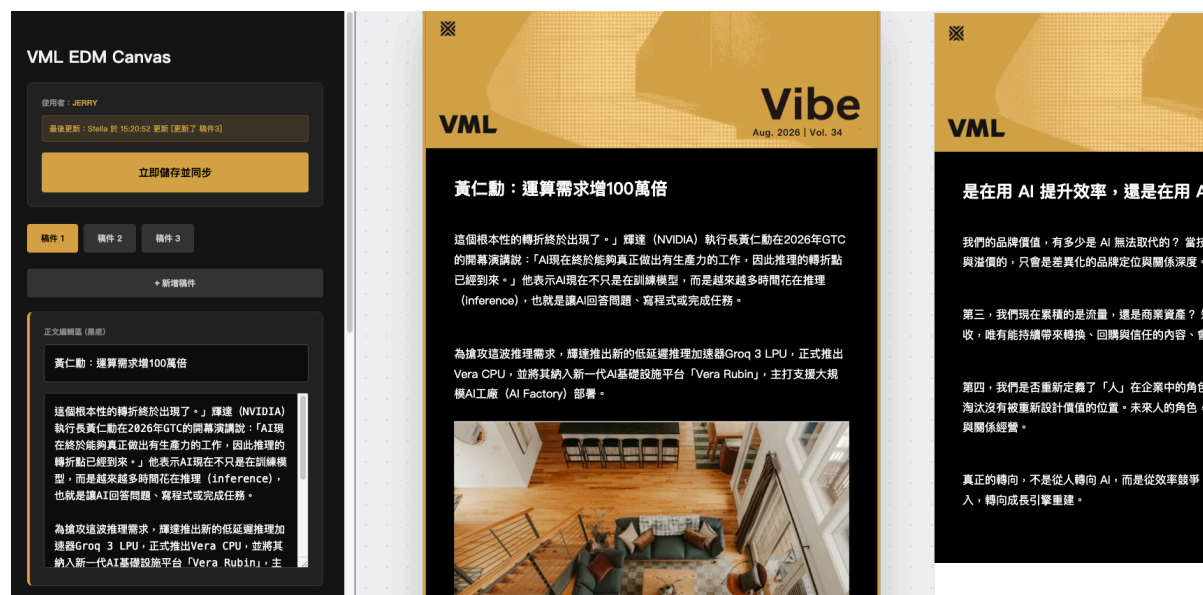

Project Finance Management System

Independently built an AI-enabled project finance management system by vibe coding, integrating project, finance, and job data into one workflow and adding an AI agent for project identification and invoice automation.

AI-Driven EDM Automation System

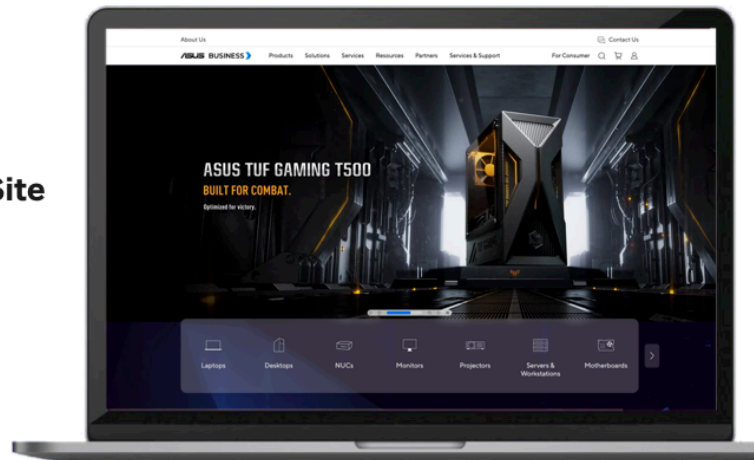

Built an end-to-end workflow that uses an AI agent to source articles, generate EDM content, and automate design layout and HTML production.
